We continue to review how we are doing things and will adjust things as we go along. Having reviewed this week we have made a change for Primary 3. The health and safety of the whole school community continues to be a primary focus for us.

Changes: Both primary 3 classes will now attend school from 9.05am to 3.05pm - note the new entry points.

Notes:

- We continue to work to restrict contact between different groups of pupils in school. With this in mind we continue to ask that pupils arrive at school just in time for the start of their session. This helps to avoid a build up of people on the pavement outside the school.
- The advice on pupils going home at lunchtime has changed and we now ask that pupils remain in school all day and are not taken home for lunch.
- A reminder -
 Everyone who has the symptoms of coronavirus (COVID-19) - a new persistent cough, fever, or a loss of sense of smell and /or taste – should stay at home and arrange for coronavirus testing.
 Everyone who is living with someone who has coronavirus symptoms should stay at home and follow the relevant NHS advice.
 Everyone who has returned (or come) to Scotland from a country which is not exempt from the UK quarantine rules, should stay at home following the relevant guidance.
